January 12, 2017

Dear United Wisconsin Grain Producer Member:

On January 12th, 2017, the Board of Directors of United Wisconsin Grain Producers LLC (UWGP) voted to make a distribution of \$100 per unit to all unit holders of record as of January 12th, 2017, for a total distribution to members of approximately \$2,834,600. We plan to mail these checks on or around January 31st, 2017. If you have already signed up to receive your distribution check via ACH, it will be directly deposited into the account you selected. As has been the practice in the last several years, we will withhold Wisconsin income tax from non-resident members, as required by the Wisconsin statutes for pass-through entities.

Just a reminder, if you have not already registered as a "member" on www.uwgp.com, we encourage you to take a couple minutes to do so. This will allow you to receive correspondence such as this immediately via your registered email address as well as give you access to our financial and other information privy to our members only.

Sincerely,

Kevin Roche, President
Board of Directors of United Wisconsin Grain Producers LLC
