January 15, 2018

Dear United Wisconsin Grain Producers Member:

On January 12th, 2018, the Board of Directors of United Wisconsin Grain Producers LLC (UWGP) voted to make a **distribution of \$200 per unit** to all unit holders of record as of January 12th, 2018, for a total distribution to members of approximately \$5,669,200. We plan to mail these checks on or around January 26th, 2018.

If you have already signed up to receive your distribution check via ACH, it will be directly deposited into the account you selected. If you have not signed up for ACH and would like to, please visit our website at www.uwgp.com/forms/. Print, complete and return the "Credit Authorization Form – Investor". If you need us to mail you a form, please contact Suzanne Wendt or Kathy Becker at 920-348-5016.

As has been the practice in the last several years, we will withhold Wisconsin income tax from non-resident members, as required by the Wisconsin statutes for pass-through entities.

Just a reminder, if you have not already registered as a "member" on www.uwgp.com, we encourage you to take a couple minutes to do so. This will allow you to receive correspondence such as this immediately via your registered email address as well as give you access to our financial and other information privy to our members only.

Also, for tax planning purposes, preliminary results for 2017 indicate the taxable income to be approximately \$190 per membership unit for units held (owned) for the entire year; higher than the \$150 per membership unit we forecasted a few months ago. The actual amount may differ but we don't expect it to be significant. This will be reported to you on a K-1 form which we will mail to you as soon as possible, but not later than February 28, 2018. The portion of company income or loss reflected on your K-1 form must be reported on your personal individual income tax returns.

Sincerely,

Kevin Roche, President
Board of Directors of United Wisconsin Grain Producers LLC
