Dear UWGP Members:

In response to the increased concerns regarding COVID-19, we have decided to **CANCEL** the UWGP Annual Membership Meeting scheduled for April 16, 2020. You should have recently received the Notice of Annual Meeting, Proxy Statement and the Proxy mailed on or around March 11, 2020. **We ask that you please cast your vote(s) by completing, signing, and sending the Proxy card, per the instructions, as you have done in prior years.** It is important that we proceed with the election of officers and other matters presented to keep current with our normal business affairs and obligations. If you have NOT received the mailing or if you have any questions, please feel free to call us at 920-348-5016 or email [mail@uwgp.com](mailto:mail@uwgp.com). The 2019 Annual Report enclosed in last week's mailing provides an overview of our 2019 activities and financial results. It also provides market updates and discusses our primary focus/goals for the current year and beyond.

This decision was made out of an abundance of caution for the health and safety of our team, you as our member investors, and the community. And in all due respect of the guidance provided by World Health Organization (WHO), Center for Disease Control (CDC) and other efforts to curtail the spread of infectious diseases.

We do understand the prominence of our member investors to UWGP and plan to continue efforts to keep you informed and apprised of our business operations and financial health. We plan to send a Spring UWGP Newsletter providing

- the results of the member votes on the election of officers and other business
- an overview of our 1<sup>st</sup> quarter 2020 financial results
- a market and operational update

Please look for this newsletter late April to early May.
